*“I approach every relationship through a planning lens and team approach. Advice is given after a comprehensive analysis of a client’s entire financial situation. Recommendations typically go beyond basic investment solutions. Working with a client’s tax and legal counsel is encouraged and celebrated, as their insight and inclusion during the financial planning process is crucial.”*

Paul currently resides in Bucks County, Pennsylvania with his wife, Dominika, and children. They enjoy hiking, cooking and traveling.

*“Someone is sitting in the shade today because they decided to plant a tree a long time ago.”*
