"I approach every relationship through a planning lens and team approach. Advice is given after a comprehensive analysis of a client's entire financial situation. Recommendations typically go beyond basic investment solutions. Working with a client's tax and legal counsel is encouraged and celebrated, as their insight and inclusion during the financial planning process is crucial."

Paul currently resides in Bucks County, Pennsylvania with his wife, Dominika, and children. They enjoy hiking, cooking and traveling.

"All financial success comes from acting on a plan. A lot of financial failure comes from reacting to the markets." – Nick Murray
